Police say the shooting was reported in the area of Milliken Road and King Street at around 2 p.m. They say they arrived on scene to find a man lying in the street with a gunshot wound to the head. Paramedics tell CP24 that the victim was taken to a trauma centre in life-threatening condition. His condition later stabilized. Police say they seized a firearm from the scene. Investigators believe there were "numerous people" in the area at the time of the shooting. A suspect has been taken into custody and charged with aggravated assault. According to police, the firearm has been seized.Q: Deleting a fragment in Android I tried to delete the fragment using the following code: FragmentManager fragmentManager = getSupportFragmentManager(); fragmentManager.beginTransaction().remove(fm.getFragment(3)); fragmentManager.commit(); But instead of 3, an error occurred: java.lang.IllegalArgumentException: No view found for id 0x7f030072 (com.example.test/com.example.test.Tab1Fragment) I have already tried to nullify the ids. Thanks. A: here is your problem, you forgot to replace your added fragment, and as mentioned here "Note that if the Fragment was initially added to the container, you must first call FragmentTransaction
