Elden Ring Activation Code is a new fantasy action RPG game that launched in Japan on 15th of September 2019, and will release worldwide on 26th of February 2020. Elden Ring is set in the Lands Between, where once-fabulous civilizations lie in ruins. You are part of the Elidari, the heir of a long lineage of powerful lords who have ruled the world in the absence of a king. You are a Tarnished Elf, a noble chosen at the age of 13 to inherit the Elden Ring, which has long been out of use. The Lands Between is a place of intrigue. It is a realm filled with wonders, but also a stronghold of a sinister organization that seeks to use the weak and powerful of the world. Everything will be pulled into the roiling drama that is the Lands Between... Features: • A Cutting-Edge Action RPG Innovative battle system that lets you choose from three battle styles • The Visual-First Action RPG Beautiful natural environments and distinctive characters in a rich story. Will you grow, unlock your power, and become a legend? • The Paragon System Improve your equipment and unlock new abilities via a natural progression system where gaining experience boosts your ability. • Iconic Weapon Lore The weapon lore is a new system that reveals the origin and history of the weapon. • Full of Drama Exciting combat, personalized classes, and over 1,000-page story **About BOX BROTHERS INC.** BOX BROTHERS is a Japanese gaming company founded in 2012. 1. Introduction Thank you for your continued patience while developing Tarnished Realms. This game still has a long way to go, as it was originally planned to be released in 2015. We developed the game from the ground up for the PS4, and the development has been challenging and exciting. Because it was more difficult than expected to produce an enjoyable game, we are planning to finish by the end of 2015, and then release the game. Therefore, the game will include new content at the start of the following year. ■

New Gameplay We added a new feature for the beginning and end of the game. ※ Please be aware that the new content of the game are a planned implementation in the following new content:

1. New Gameplay

1. New Character Creation (Skill Creation) When you create a new character, you can freely create your character without restrictions.

2. New Battle System You will now be able to use skills that increase your life point every time you use them.

3. New Character Battle Styles You can create various battle styles, such as a Battle Style that increase your life points and a Battle Style that increase your attack power.

1. New Model The model of the character that is currently being displayed was revised.

2. New Units New Units were created to be equipped with skills that increase your attack power and your defense.

1. Improvements As a part of the improvement of the game, the graphics and animations were redone and now the game has a more realistic and lively atmosphere.

2. Optimization We have optimized the game for more detailed graphics, so that the game provides smoother gameplay with more realistic graphics than before. ■

New Content We are planning to add the following new content to the game:

1. New Game Modes

1. Story Mode In Story Mode, you will be able to

What's new:

Stylish and powerful online battles and tournaments let you spar with friends and explore the world.
